Commissioner for Patents

Newly submitted claims 80-91 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: newly filed claims 80-91 recite a specific fluid cavity and membrane for the ablating device and claims an independent and distinct species from that claimed in previously pending claims 61-79.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 80-91 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

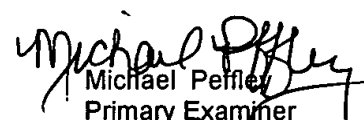

Since no claims are present for the purpose of examination (i.e. all claims are withdrawn from consideration), the amendment of May 16, 2003 is deemed informal/non-responsive.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Peffley whose telephone number is (703) 308-4305. The examiner can normally be reached on Mon-Fri from 6am-3pm. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Linda Dvorak can be reached on (703) 308-0994. The fax phone numbers for the organization where this application or proceeding is assigned are (703) 305-3590 for regular communications and (703) 305-3590 for After Final communications.
